

March 2021 PROGRAM

Chapel at 8 Montague St Balmain Rev. Lisa Devine 0401 367 808

Dear Community,

With one last lingering glance to the light we turn, paradoxically both repelled and drawn by the deeply redemptive journey of suffering.

„I felt very acutely that a sense of suffering was the connective tissue that held us all together...this feeling of collective love has saved my life. It is a transcendent circle that just seems to grow stronger. It is religious,“ said Nick Cave after the tragic loss of his teenage son.

In Passiontide, the Being of Love walks within us, shedding an exquisite luminosity into our personal and collective tragedies. It is a mystery we will grasp only after the Mystery of Golgotha is fulfilled at Easter. Now is the time to dwell deeply in our suffering, to live fully in this experience. It is this deep individual suffering that will ultimately lead us to be united under the cross, bathed in the healing that only those who suffer can truly receive.
