### **Contributions**

Spiritual Work is healing work. The gift of healing is freely given through pastoral care, teaching, and Sacraments.

The Christian Community relies entirely upon donations to continue its healing work in our region.

How can you contribute?

You can put money in the bowl by the door as a gift towards the Sacraments, talks, and Sacramental Consultations you have received, or simply because you want to make a gift toward someone being able to receive these sacraments in the future. What you give is entirely in your freedom to choose, out of the means possible to you.

Your gift freely given is an act of love which we receive with heartfelt thanks. Love and gratitude connect us with one another and lead us into a future filled with promise and hope.

We thank you this opportunity to walk together with you.

### **Bequests**

BEQUESTS to The Christian Community in your Will provides for ongoing development and life of The Christian Community into the future.

The Christian Community is then able to maintain its life and the services of priests through endowments from members and friends who have provided for us in this way, from beyond the Threshold of earthly life. We too can consider providing a legacy in our Will.

Thank you.
